Index Funds	5.6%
Real Estate	5.4%
Options	4.3%
Precious Metals	3.9%
Consumer	3.8%
Regional Banking	3.6%

IMPORTANT TEST-DATA NOTICE

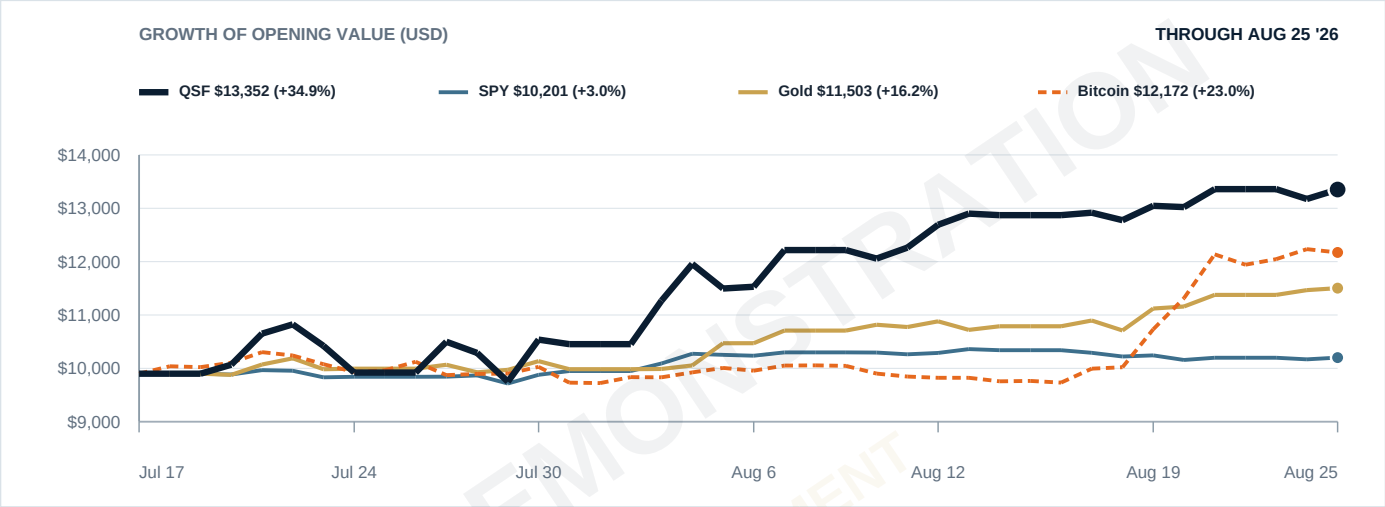

This illustrative report was generated entirely in the browser from intentionally public sample data and local edits. It is not an official statement, valuation, tax document, audited record, proof of ownership, or offer or solicitation. Do not rely on it for investment, accounting, or tax decisions.

Holdings and QSF benchmark comparison

ahub Demo Portfolio

QSF VS. NORMALIZED BENCHMARKS

All series are rebased to the Jul 17, 2026 opening value; benchmark lines use public closing prices.
SPY and the GLD gold proxy use adjusted public closes; Bitcoin uses BTC-USD; all values are illustrative.
